

School of Science & Technology - Excellence

Parent Compact

Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. That compact is part of the school's written parental involvement policy developed by the school and parents under section 1118(b) of the ESEA. The compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Yearly the compact should be evaluated to determine its effectiveness with revisions made as necessary. School must schedule annually a parent/teacher conference to discuss the compact.

SCHOOL-PARENT COMPACT

SST-Excellence and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during the 2016-2017 school year.

REQUIRED SCHOOL-PARENT COMPACT PROVISIONS

School Responsibilities

SST-Excellence will:

- **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:**
 - Conferences and staff development developed by our SST Instructional Leaders.
 - Promotions on our Web site highlighting the awards and honors that we have received for SST's contribution to excellence in education.
 - Teaching the high academic standards using research-based instructional strategies.

We inform families about State standards and our curriculum and assessments, suggest ideas to help parents monitor and support their student's achievement, and educate on the value of parent involvement by:

- Formal Parent-Teacher conferences will be held once per semester
- Administration will maintain an open-door policy in order to be available to parents for discussion about student needs and/or concerns
